

Serving Your Community Your Way

Tutor.com: In the Library. At Home. On the Go.

No matter who or where your patrons are, Tutor.com is there to help you extend your reference service beyond what your staff can provide. Tutor.com is the answer to your tough reference and homework help challenges.

Live Help from Professional Tutors

Live Homework Help® for K-12 students.

Our award-winning one-to-one tutoring and homework solution helps students with algebra homework, chemistry concepts, standardized test prep and more.

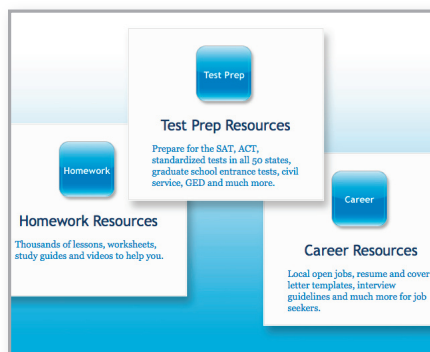

LiveTutor™ and CareerTutor™ for college students and adults. Patrons can improve a resume or cover letter, study for the citizenship test, prepare for the GED, or get help going back to school.

On-the-Go Help from Smartphones

Tutor.com To Go.

Give your patrons the ultimate convenience of connecting to tutors and resources from their mobile phones and storing sessions in their mobile locker.

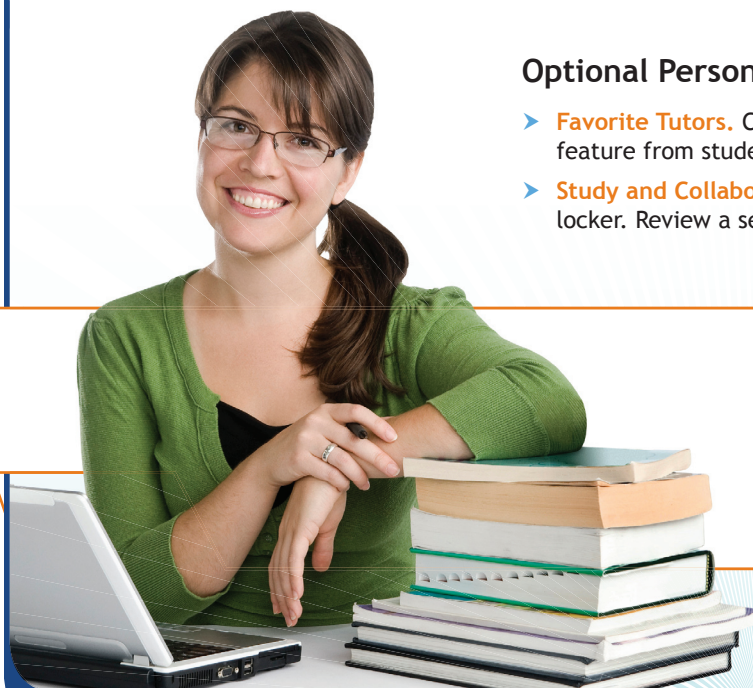

Around-the-Clock Help from Rich Resources

SkillsCenter™ Resource Library. Over 9,000 vetted, searchable homework, test prep and career resources.

- Access to **SAT/ACT** resources, standardized tests and AP exams
- Math resources from **Texas Instruments, Brightstorm.com** and **Khan Academy**
- Resume tips and guidelines from **Career Solvers.**
- **Job openings** in the 110 largest metro areas in the U.S. and Canada

Optional Personal Accounts

- **Favorite Tutors.** Connect to your favorite tutors again and again. Most requested feature from student surveys.
- **Study and Collaborate on the Go.** Store sessions and resources in your own mobile locker. Review a session or share with a study group.

Committed to Your Program's Success

Dedicated client services manager. You'll get support from someone who knows you and your program everyday.

Enhanced Reports. Track trends and share visuals with our powerful graphic reports that demonstrate the success of your program to library funders.

Marketing made easy. Our unique Client Resource Center website offers ideas and tools 24/7. Download ready-to-print, professionally-designed templates to promote your program.

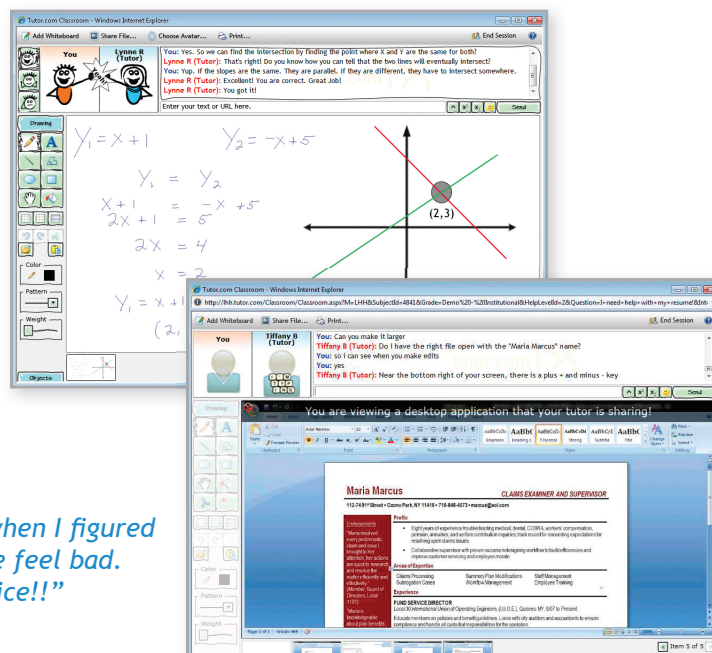

Career Webinars. Offer a live, professional workshop for your job seekers.

Affordable the first year and every year. We help you manage your program's growth while staying within budget with our unique SmartTrack system.

94% of Students Recommend Tutor.com*

Unsurpassed student experience

- **Always one-to-one.** Tutors give each student undivided attention.
- **Always a learning experience, not an answer.** Tutors step through specific questions to make sure students really understand the material.
- **Always a click away.** Through our website students get help in 25+ subjects.
- **Always easy to use.** For those tough math and science problems our Online Classroom offers built-in symbols, tools and formulas to make each session efficient and effective.

"This is awesome. I got goosebumps when I figured it out and the tutor never made me feel bad. Very patient!!!! Love this service!!"
