“

Thank you to [my tutor]. Also, thank you to my school for offering this service. It is a nice place to turn when you need a support system, a change of pace, and a new perspective.

—Study skills student

”

“

I am very shy and hesitant to ask for help but this experience made me so much more confident. Everything that was taught made complete sense and visuals helped solidify my learning. I appreciate how patient my tutor was as well!

—Physics student

”

“

I was completely overwhelmed in how I would complete my designs with no basic knowledge of Adobe Illustrator software. Now, I am confident I can do it with ease. Service was amazing!

—Adobe Illustrator student
