

High-Dosage Tutoring

Research-Grounded Learning Accelerator
Small Group | High Impact

Evidence-Based Program Design

Intensive learning accelerator with 3+ times/week frequency

Small learning groups of 2 to 4 students and a consistent tutor for impactful, relational learning

Personalized learning plans and tailored instruction, with purpose-built tools to support differentiation

Assessment-based, with summative and post-session formative assessments (exit tickets) plus ongoing tutor feedback

High-quality curriculum aligned to state standards, and ELA program that follows the Science of Reading pillars

Rigorously vetted, background-checked, fingerprinted subject-matter experts with ongoing training and quality reviews

Best-in-class instructional methodology

Tutors use our proprietary **“TUTOR”** gradual-release model to empower students to make significant, accelerated learning gains.

Developed by teachers for student success

- Highly experienced program development team, with an average of 10+ years of teaching experience each
- Education-forward classroom design, with tools to encourage engagement and understanding
- Curriculum-rich content, with a proven teaching methodology honed over the course of 27+ million tutoring sessions delivered

Rigorous research provides strong evidence that high-dosage tutoring can produce large learning gains for a wide range of students, including those who have fallen behind academically.
