

Parent Coaching from Tutor.com/military

No-cost support for
military parents so they
can help their learners

Parents have always been caregivers and cheerleaders for their kids. With help from our Parent Coaching topics, they can be skillful academic mentors, too!

1-to-1 on-demand topics include:

- Setting Expectations
- Scheduling & Organization
- Study Techniques
- Motivation & Goals
- Using Resources
- Managing Knowledge Gaps
- And more!

**Families thrive when
everyone is supported.**
