Top 10 Facts
FOR PARENTS ABOUT
HomeworkCA

1 Safe and anonymous
All tutors must pass a rigorous application process including an extensive background check. No personal information is shared between students and tutors. All work is completed in our recorded classroom.

2 Available at no cost for eligible students
Eligible students can access Tutor.com at no cost, and you will not be asked to purchase anything.

3 Personalized learning sessions
Every Tutor.com session is personalized to meet the needs of each student, from remedial to advanced levels. Sessions focus on conceptual learning and critical thinking—not just quick answers.

4 Wide variety of subjects
Students can get help in math, science, English, writing, social studies, Spanish, computer literacy, AP® course topics, and more.

5 More than just homework help
Tutors assist students with specific homework problems, but they can also help with concept review, writing assignments, test prep, and more.

6 Learning day extension
Whether it's 4:00 PM on Tuesday or midnight on Sunday, with more than 4,000 highly-vetted expert tutors, Tutor.com can help every student in their moment of need—24/7, on demand.

7 Accelerated achievement
96% of students who use Tutor.com say it helps them complete their homework, and 95% say it helps them improve their grades.* Students come to class better prepared and ready to learn.

8 Confidence-building support
Students of all skill levels can get help from a tutor. In fact, 96% of students responding to our post-session surveys have said that using Tutor.com makes them feel more confident in their learning.*

9 Easy to use and accessible from anywhere
Wherever students have online access—at home, at school, and anywhere in between—they can connect to a tutor using a computer or mobile device.

10 Endorsed by parents
"This service has been excellent and wonderful. My 7-year-old son is actually motivated to do his homework because of it. Thank you so much!"

Our tutors are standing by to help students—anytime, anywhere.

This project is supported in part by the U.S. Institute of Museum and Library Services under the provisions of the Library Services and Technology Act, administered in California by the State Librarian.
