

Writing a Paper? Tutor.com can help.

Get help with your next assignment from expert writing tutors.

Log into your **Tutor.com** account to connect with a tutor for feedback in real time with a **Live Session**, or submit your work through **Drop-Off Review**. Where you are in the writing process will determine the best and most effective option for you.

BRAINSTORMING

STAGE

A Live Session will give you the best results.

Connect with a tutor to:

- discuss ideas that will form the content of your essay;
- work through questions to gain a better understanding of your subject; and
- research credible sources and gather information.

Helpful Hint:

As you work with your tutor, share all of the information that you have on your assignment to help ensure a productive tutoring session.

ORGANIZING/ OUTLINING

STAGE

We recommend a Live Session, but you can also choose Drop-Off Review.

Your tutor will help you to:

- organize your thoughts and ideas and develop a clear plan for your essay.

Helpful Hint:

A **Live Session** works best if you have questions about organizing your essay. If you need feedback on a draft or outline, you can choose either option! For Drop-Off Review, indicate whether you will be turning in an outline as its own assignment or if you would simply like feedback before you start drafting your essay.

DRAFTING

STAGE

Choose a Live Session OR Drop-Off Review.

Your tutor will help you to:

- compose a strong thesis statement and a sound conclusion;
- create unified, cohesive paragraphs in the body of your essay; and
- guide your revisions as you work on your next draft or final version.

Helpful Hint:

If you choose Drop-Off, make sure to fill out the pre-session form with the assignment details so your tutor can give you the best advice. Include any necessary revisions from a prior drop-off session before submitting again. Whether you will be turning in an outline as its own assignment or if you would simply like feedback before you start drafting your essay.

FINE-TUNING

STAGE

Choose a Live Session OR Drop-Off Review.

Your tutor will help you to:

- revise and edit your essay with additional guidance, and
- proofread for errors to help you become a more independent writer.

Helpful Hint:

If you choose Drop-Off Review, make sure to fill out the pre-session form with the assignment details so your tutor knows how to give you the best advice.
