

ADDITION: EQUATIONS AND PICTURES

INSTRUCTIONS

Draw pictures for the equations below and find the solution. You could draw blocks, crayons, pennies, or circles. Follow the example.

EXAMPLE

$$3 + 6 = 9$$

$$2 + 9 =$$

$$4 + 8 =$$

ADDITION: EQUATIONS AND PICTURES

$$5 + 3 =$$

$$7 + 6 =$$

Create your own equation. Draw a picture to match and find the solution.

$$\underline{\quad\quad} + \underline{\quad\quad} =$$
