

COUNTING SHAPES BY SORTING

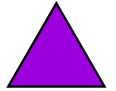

INSTRUCTIONS

You are in charge of sorting out the sticker box at the toy store. Draw the following stickers in the box:

35 yellow smiley-face stickers

3 purple triangle stickers

22 red heart stickers

A large, empty rectangular box with rounded corners and a thin black border, intended for drawing the stickers.

Now, circle groups of 10 stickers. Make sure each group has the same kind of sticker. How many stickers are there in total?
